Transport Spill Kit

Suitable For: Oils & Fuels, Oil-based Liquids & DG Class 3 Flammable Liquids

KIT COMPONENT	SIZE	JBS PART NO.	NUMBER/KIT
KleenSweep	5 kg Bag	ENR022	1
Absorbent Containment Socks (Oil Only)	1.2m x 10 cm dia.	ENR040	1
Absorbent Pillow (Oil Only)	35 cm sq	ENR035	1
Absorbent Cotton Pads (Oil Only)	45cm sq x 200gsm	ENR047	5
Low Lint Absorbent Wipes	33cm x 59cm	ENR045	10
Instruction Card & Selection Chart	A4	CARD/HYD	1
LDPE Disposal Bags + ties	450 x 710mm	D/BAG	1
Nylon Bag	duffle bag	BAG/TRAN	1
Absorption Capacity (oil)	45 Litres		

Use kit only if suitably trained. Principle routes of exposure will vary on type of liquid. Respiratory protection may be required for cleaning up larger spills. Use spark-proof tools when cleaning all DG Class 3 spills.

Not suitable for use on strong oxidisers. **Meets Australian Standard AS 1940-2004**

Combustible Liquids: C1 & C2

This kit is suitable for cleaning spills on hard surfaces which involve the following liquids:

- Fuels & Lubes
- Hydraulic Oils
- Coolants (undiluted)
- Solvents (ketones, halocarbons, alcohols, etc.)
- Paints (oil-based)
- Drying Oils (linseed, pine oil, etc.)(1)
- Pesticides (solvent based)
- Vegetable Oils or Animal Fats
- DG Class 3 Flammables

Important Note: All Enretech Spill Response Kits are supplied with only basic Personal Protective Equipment. Each user may wish to supplement the PPE in their kits based on the chemical spill risks identified at their sites through audits and risk assessments. Supplemental PPE and Spill Kit replenishment parts can be sourced throughout Australia. Contact Enretech for more information.

For spills involving liquids not listed above, please refer to the Enretech Spill Safety Guide (available on www.enretech.com.au).
When used for liquid spill clean-up, sorbents tend to take on the characteristics of the liquid they have absorbed. Thus, always consult the MSDS of the spilled liquid prior to absorption with Enretech sorbents.

***Notes:** (1) Drying oils can have high risk of spontaneous combustion. Take appropriate precautions.*

Health, safety & environmental risks from Dangerous Goods Liquids can vary considerably. In general, Enretech spill kits can be used for many DG Liquids, however seek help for all spills involving Packing Group I DG Liquids. Contact Enretech Australasia (0425 232 741) for further technical assistance, as required.

Part No. ENR091
Transport Spill Kit
SIZE: Duffle bag
PALLET QUANTITY: 32 kits per pallet
ABSORBS: 45L Oil

Also Available:
Large Transport Kit
Service Station Kit
Marine Kit

KleenSweep (Premium Floor Sweep)

KleenSweep 5kg bag
Absorbs 17L (Oil)
Product Code: ENR020

For oil/fuel spills + wide variety of liquids. Dries the floor in 1 simple step - no secondary clean up required. Superior performance andlower cost of use. Industry accredited. Tested to 12 performance and safety standards. Made from 97% recycled, organic fibres. 100% biodegradable. Low dust formula.

Also Available:
Compact Spill Kit (20L pail + scoop) ENR106
20L Pail KleenSweep Absorbent ENR021
10kg bag KleenSweep Absorbent ENR022

Cotton Sponge™ Absorbent Pads (Oil Only)

Cotton Sponge™ Pads 200/ctn
450mm x 450mm x 200gsm
Carton absorbs 152L (Oil)*
Product Code: ENR047

Superior performance and lower cost of natural cotton fibres. Pads absorb up to 50% more than equivalent poly pads (single use). Absorbs a wide range of hydrocarbons. Meets all criteria for Sustainable Product purchasing. Tested to 12 performance and safety standards. Biodegradable in landfill or biofarm.

Also Available:
Thick Pads: 400 gsm x 450 x 450mm (100/ctn) ENR048
Rolls: 200 gsm x 1m x 50m ENR046
Tuff Sucker Pads: 350gsm x 450 x 450mm (200/ctn) ENR049
Tuff Sucker Roll: 350gsm x 1m x 50m ENR044

Transport Spill Response Kit

Transport Spill Kit
Duffle Bag Absorbs 45L (Oil)*
Product Code: ENR091

Contains Enretech sorbents, PPE and clean-up accessories for fast & safe spill response. Convenient compact orange nylon carry bag. Fits behind seat in most trucks. Individual refill items available. Combines both pads & particulate for quick & complete clean-up. No residues remain. Complies with State/Federal EPA & OHS Regulations & Codes of Practice.

Also Available:
Large Transport Spill Kit (Hanging Bag) ENR092

Absorbent Containment Socks & Pillows (Oil Only & GP)

Absorb/Contain Socks
1.2m x 10cm dia. - 2 per ctn
Product Code ENR040
Absorb/Contain Pillows
350mm x 350mm - 5 per ctn
Product Code: ENR035

Cost effective & rapid oil or fuel containment & absorption. Also available in GP form for water-based liquids. Highly absorbent, picks up 19 times its own weight (oil)*. Made from 100% recycled materials. 100% biodegradable.

Also Available:
Absorb/Contain Socks: 2.4m x 10cm dia. - 5 per ctn ENR041
Absorb/Contain Socks: 3.0m x 10cm dia. - 5 per ctn ENR043

Service Station Spill Response Kit

Service Station Spill Kit
120L Wheelie Bin
Absorbs 100L (Oil)*
Product Code: ENR100

Mobile kit for fast response. Highly visible & easy to use. Contains Enretech sorbents, Protective Equipment and clean-up accessories. Combines both pads & particulate for quick & complete clean-up. No residues remain. Individual refill items available. Complies with State/Federal EPA & OHS Regulations & Codes of Practice. Effective on a wide range of liquids. Kits can be customised to suit risk. Industry accredited. Sorbents tested to 12 standards.

Enretech Absorbent Wipes

Absorbent Wipes (50/pk)
Product Code: ENR045

Ideal for wide range of application. Extremely low lint. Exceptional strength and durability. 330mm x 590mm dimensions. Can be used wet, dry or in between. White, non-woven spun-laced. 100% viscose

Workshop Spill Response Kit

Workshop Spill Kit
120L Wheelie Bin
Absorbs 100L (Oil)*
Product Code: ENR090

Mobile kit for fast spill response. Highly visible. Contains Enretech sorbents, Protective Equipment and clean-up accessories. Individual refill items available. Combines both pads & particulate for quick & complete clean-up. No residues remain. Complies with State/Federal EPA & OHS Regulations & Codes of Practice.

Also Available:
240L Large Workshop Spill Kit ENR101
120L Universal Spill Kit ENR089
120L Hazchem Spill Kit ENR095
