

Kleen Sweep™

The Ultimate in Hard Surface, Floor Sweep Absorbents

No.1 for Performance

- Absorbs up to 3x its own weight
- Encapsulates spill and eliminates leaching
- Leaves no residue on surface

Lowest In-Use Cost

- Reduces clean up time by 50%
- One step dry clean – no secondary clean up (chemicals + mop) required
- Absorbs 6x more than many clay adsorbents (kitty litter)

Environmental

- Made from recycled cotton (certified)
- Suitable for Biofarms
- Meets and exceeds all requirements for disposal to landfill

WH&S

- Reduces risk of slippage
- Safe to use

Easy Steps to a Clean Surface
