

INTRODUCING...

Enretech NoBlu

*The only absorbent
specifically made to remove Adblue spills*

Unique

- NoBlu will remove the entire spill, leaving no residue.

Environmental

- NoBlu is organic and bio degradable and is harmless to the environment.

Easy Disposal

- NoBlu, after use, can go to landfill.

Savings

- Use less, NoBlu absorbs up to 3x its own weight.
- Reduce clean up times by half - no need for mop and bucket.

**Conveniently packed
in a 20lt pail for ease
of storage and re-use.**
